## Branded Visors

The SuperGuardPRO is a product that has been developed and manufactured using locally sourced materials and it is already being used by hundreds of healthcare professionals on the NHS frontline.

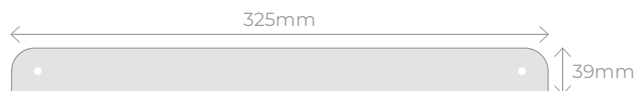

We are now able to offer the SuperGuardPRO to businesses outside of the healthcare sector at prices that are second to none. We can also personalise them with your company logo and brand colours.

Brand the band in up to 2 colours and add a personalised message too.

- ✓ Personalised for your business
- ✓ Available with or without message space
- ✓ Wide elastic band for universal head fitting
- ✓ Soft latex-free foam pad for increased comfort
- ✓ Lightweight and frameless for all day use
- ✓ Fog resistant
