RESPECT

FOR EACH OTHER

Cubiquity is proud to support Zero Gravity's scholarship programme to fund scholarships that help high-potential students from low-opportunity backgrounds access higher education and career opportunities. Our support directly contributes to:

- **£3,000 scholarships enabling students to focus on their studies**
- **Increased access to mentoring and career opportunites**
- **Reduce financial pressure, leading to lower drop-out rates and better academic performance**
- **Long-term impact, with scholars achieving higher salaries and career progression.**

INNOVATE

INSPIRED OUTCOMES

We continuously seek better ways of working for our customers.
From consolidating orders to minimise the number of vehicles on the road, through to creating new designs to save costs and improve quality.

SUSTAIN

LOW IMPACT

We take every opportunity to make more sustainable choices. One step we have taken is to work with the World Land Trust and the Woodland Trust to reduce and offset our carbon emissions.

EMPOWER

PEOPLE FIRST FOCUS

We actively encourage our colleagues to own the success and impact of Cubiquity. One project owned by all the team is fundraising and volunteering for our Charity of the Year, YoungMinds.

RISE HAS BEEN CREATED TO GIVE YOU, OUR CUSTOMERS, MORE VISIBILITY AND CONTROL OVER THE ENVIRONMENTAL AND SOCIAL IMPACT YOU HAVE.

This includes receiving impact reports showing the positive effect you have had on our communities and planet by working with Cubiquity.

AND THIS IS JUST THE START OF THE JOURNEY.

To find out more about RISE, get in touch with your Account Manager who will explain how you're already benefiting from the initiative and what else we can do together.
